

Lightweight, roomy, and easy-to-clean blood collection tray

Blood Collection Tray, Inserts and Lid

Keeping your tray clean and organized has never been easier. Along with the sturdy plastic frame you get a set of economical, disposable inserts specifically designed for blood collection. The replaceable tray insert comes in two configurations and includes an extra-deep compartment for the sharps container.

Other tray features include a supply drawer, side pockets, and a ratcheting handle with soft rubber grip that rotates out of the way for easy access to the tray contents.

Each tray comes with its own 13mm or 16mm Heathrow OneRack™ test tube rack (your choice) and two disposable polystyrene inserts. Additional inserts sold in packs of four.

Provide extra protection for the contents of the Droplet Tray with the Droplet lid. The custom designed sturdy lid offers a snug fit, protects contents and provides access to the tray handle in its vertical position. The lids are stackable, made from polystyrene, and cable ties can be used for extra security.
